BOCA RATON, Fla. - July 20, 2020 - PRLog -- Medicare covers a large portion (80%) of your health needs. If you do not have proper additional coverage you could be exposed to thousands of dollars of additional healthcare costs annually.

Need assistance with Medicare?

Do you do an Annual review?

Are you aware of the 2020 changes?

NO COST No Obligation Review

Individuals who qualify for Medicare or are on Medicaid can get coverage for as low as \$0/month. Many are interested on \$0 Premiums, \$0 Co-pays, \$0 on Tier 1-2 Prescriptions. Some plans also have Gym Memberships, over the counter non prescription allowances and rides to Doctor appointments. There are many companies and options to choose from. Not all are A Companies, go with the best plan available for your needs.
